

Installation Guide

URL: diningslug.com

Navigation:

- Click any of the dining hall buttons to be taken to that dining halls page to see what is serving
- Within each dining hall click the meal type (Breakfast, lunch, dinner, late night) to see what is being offered at that time.
- Use the search bar on a dining hall page to search for an item in that dining hall
- Use the search bar on the home page to search for an item in any dining hall
- Click on an item to get more details about it
- Click on the stars underneath an item to rate it.
