

Sprint 3 Report

Product Name: Dining Slug

Team Name: Dining Slug

Date: November 18, 2018

Actions to stop doing:

1. No more hour representation of each tasks as the basis of our work, instead begin using story points alongside ideal hours.

Actions to start doing:

1. Cleaning up any code snippets in the master branch that are superfluous.

Actions to keep doing:

1. Keep pushing code often.
2. Keep communicating with everyone whenever any changes are being made.
